**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition should remain alive and well in America. I chose Sonic in San Francisco because they provided an alternative and competitive service. They provide a fiber service that I could not get from AT&T. As a video professional, the quality of the service is unparalleled, and has become key for the times I need an upload service that only fiber can deliver. Reducing Sonic's ability to provide this service would affect me directly and I urge you in the strongest terms to reject this petition to dismantle the 1996 Telecommunications act.
